

To Whom It May Concern:

I pay for the privilege of listening to XM Radio and I don't believe that gives you the right to tell me what I can listen to nor where. I pay for the right to hear traffic or weather on XM and you shouldn't be allowed to take that right away from me nor anyone else.

I respectfully urge the FCC to reject the NAB's petition 04-160 and support XM's ability to provide the kind of programming that I demand and deserve.

Respectfully,
Marcia A. Baker
